Recommendation Letter

It is my pleasure to write a letter of recommendation letter for **Umma Habiba Tania** who completed 4 (four) years Bachelor program in the Department of English at Leading University, sylhet-3100, bearing Student ID: **1413030017**. Her major was in English and completed 124 credits out of 124 as well as she obtained CGPA **3.11** out of 4.00 in English Program in this University. During that time, I found her as a student who was curious to know new things and eager to implement the achieved knowledge in practical field.

To my best knowledge while she was a student in this University, she did not participate in any activity subversive either of the state or of discipline. I am positive that, she would be a tremendous asset.

Please feel free to contact me if you require additional information about her. I wish her success in all the endeavors.
